About us.....

The Lord's Universal College of Education(LUCE):

Vidya Vikas Trust's the Lord's Universal College of Education works under the leadership of our Honorable Chairperson and great visionary Mr.Jesus Lall, who has established his mark in the education world by the name of **Universal Education**.

We are a huge family of Education institutions ranging from KG to PG with the vision of providing quality education to our student community. In line with this vision, we are on the mission of creating teachers who can balance well between technology and humane values. In this direction, the Institution strives to provide training on ICT-based instructions as well as giving opportunities for developing soft skills and inculcating values like decision making, communication skills, rational and logical thinking, empathy, sincerity, sensitivity, etc. That would enable them to cater to the needs of their students efficiently and make them emotionally stronger and stable in order to ensure as citizens of the progress of the society.

Present certificate FDP on the The life skills education too is a part of our mission to make the Affective domain of the student-teachers' personality stronger.

Our website: <http://www.luce.edu.in>

Indian Association of Life Skills Education (IALSE):

Indian Association of Life Skills Education is a registered society under the Tamil Nadu Societies Registration Act, 1975 which brings together a forum where academicians, professionals, researchers, policy makers, functionaries and like-minded people interact, discuss, promote and strengthen Life Skills Education through an interdisciplinary and trans-disciplinary approach. IALSE works in the areas of life skills training, research and publication to propagate life skills. The association regularly organises training programs at basic and advanced level, as well as Train the Trainer programs in life skills.
