#### **About International Day against Drug Abuse and Illicit Trafficking**

In 1987, the **United Nations General Assembly** declared **June 26** as the *International Day Against Drug Abuse and Illicit Trafficking*—a call to strengthen action and cooperation toward a drug-free society.

Each year, individuals, communities, and organizations come together on this day to raise awareness and reaffirm the collective responsibility to confront the dangers of illicit drugs and organized crime.

This year's theme is: The evidence is clear: “**#InvestInPrevention**. Break the cycle. **#StopOrganizedCrime**.” This year's World Drug Day calls for investment in prevention, including justice, education, health care and alternative livelihoods — the building

blocks of sustainable resilience. <https://www.unodc.org/unodc/en/drugs/index-new.html>
